KingBass Paramatrix Headless 4 KingBass Paramatrix Headless 5 KingBass Paramatrix Headless 6	3070.00 3300.00 3535.00	2558.33 2750.00 2945.83	<p>Legendary bass player, Mark King helped to develop the entire KingBass range, including the new Paramatrix model.</p> <p>All Mark's personal basses have these custom options : 32" scale BendWell fingerboard, 16.5mm string spacing and front/side LEDs. Details and prices can be found at the end of this pricelist.</p> <p>This bass has been designed to allow the greatest possible tonal range.</p> <p>There are 9 switching options on the Tri-Max pickups which, when combined with the pickup balance control, allow for a huge tonal variety. All positions are hum-cancelling. The Paramatrix EQ sets new standards in tone shaping : A 2-band EQ is augmented with TWO variable frequency parametric circuits. One parametric controls lower frequencies, the other, higher frequencies. The cut / boost pot on each allows you to add or take away any set frequency independantly of the treble / bass EQ. There is more information on our web-site.</p> <p>Headless woven graphite through-neck with phenolic fingerboard. The graphite neck is set into the centre of the body underneath the front face.</p> <p>Standard options : 34" (864mm) scale length with 24 frets and zero fret. 19mm string spacing.</p> <p>Option 1 : Book-matched exotic wood facings with faux binding on edge of body. Burl walnut, Movingui, Burl maple, Zebrano and others are available. Custom cherry-amber, vintage-amber, green and blue sunbursts are available.</p> <p>Option 2 : Woven graphite facing and back of body. Black lacquer around edges.</p> <p>Transparent tinted, hand polished gloss lacquer. Two Status Bi-Max pickups with 3-position coil-tap switching. Status two-band, treble / bass EQ, plus, dual parametric circuits. Lower frequency parametric +/- 10dB between 85 Hz and 850 Hz High frequency parametric +/- 12dB variable between 1.5 KHz and 12 KHz Master volume and pickup blend controls. 18 volt EQ. Side jack socket. Gold, black or chrome hardware.</p> <p>If custom front LEDs are fitted we will use the new "Delta-Star" window as standard.</p>
